RULES OF PLAY

SoCal Cup: The Showcase will be conducted under the AAU Code, AAU Volleyball Handbook, SoCal Cup Handbook and the current Domestic Competition Regulations as presented by USA Volleyball, with modifications by the AAU National Volleyball Committee. These rules may also be modified by the Event Staff and information included in this guide.

Match Format & Warm Up Protocol

- All divisions will play best of two set formats. Divisions that have 3-team pool(s) with no cross over match in combination with 4 team pools in the same division will play 3 sets to 25. Pool finish will be based on point percentage of the entire pool for finish placement. 3-team pools are not our recommended format and we will do everything we can do to avoid them. However, there are times where it is completely unavoidable.
- Matches will move ahead of schedule if time allows
- All warm-ups will be 1-3-3 (1 min shared ball handling, first 3 min court time for serving team, and last 3 min court time for receiving team). Teams must serve within their court time. During pre-match warm-ups, while one team has exclusive use of the court, the other team assists by shagging balls in the free zone around their playing area.
- This action is permitted and encouraged, but is not required. However, if the team warming up is using the entire court or the "assisting" team is interfering with the warm-up, the players should move back to the bench area or out of the playing area. In addition, the "assisting" team should remain in the free zone around the court as much as possible.
- Libero designation rules will be in accordance with the USAV DCR.

Officials & Team Officiating Responsibilities

The Head Official will schedule a First Referee for each match. Work teams will need to provide a Second Referee (Rostered Adult Non-Player), 2 Line Judges, Official Scorer, Libero Tracker and a visible scoreboard operator. A Rostered Adult Non-Player on the official roster needs to be court side at all times during the its team's work assignment. The work team needs to report to the First Official no later than the beginning of the serving team's warm-up. For each minute the work team is late or incomplete, one point will be given to their next opponent (up to 25-0 for forfeit). Don't forget to bring a whistle and check your reffing assignments throughout the tournament.

Team Rosters

- i. Team rosters may include up to fifteen players and five adult bench personnel. All bench personnel must be AAU members in the non-athlete category.
- ii. Uniform numbers are required to be submitted on the team roster. Each player must wear the same number throughout the event, with limited exceptions.
- iii. Rosters must be verified at Online Check-In.
- iv. No roster changes are allowed once play begins, unless approved by the tournament director.
- v. Rosters will be checked by the Official prior to match start.

RULES OF PLAY

SoCal Cup: The Showcase will be conducted under the AAU Code, AAU Volleyball Handbook, SoCal Cup Handbook and the current Domestic Competition Regulations as presented by USA Volleyball, with modifications by the AAU National Volleyball Committee. These rules may also be modified by the Event Staff and information included in this guide.

Warm Up & Ball Handling

There will be no ball handling allowed anywhere in any area of the venue except on your assigned court during your assigned warm-up period.

Protest Procedures (USAV 5.1.2.1)

- a. Protestable situations now include a scoring discrepancy.
- b. The coach may handle the protest procedure for any age level; the team or game captain is encouraged to participate for educational purposes..
- c. A protest must be lodged immediately at the end of the rally in which the protested situation occurred; a serve negates a protest of any previous rally.
- d. The last rally of a set/match must be protested within 60 seconds of the end of that set/match.
- e. The coach may not cross the court to speak with the 1st referee; the 1st referee may leave the stand, if necessary, to confer near the team bench.
- f. Judgment decisions are not protestable.

12's Serving Rule

• Gold and Silver

All players must serve from behind the end line. All service faults will be called.

• Bronze - Flights

◦ Underhand Serve:

- Must start behind the end line and may step into the court, one or two steps from the end line, on the first three (3) serves per team of service. All ensuing attempts during that term of service.

◦ Overhand Serve:

- May start at a minimum of ten (10) feet onto the court (midpoint between end line and attack line). For each successful service, the players must step backward toward the end line. On the fourth attempt to serve for the term of service, ALL servers must be behind the end line whether it's an underhand or overhand serve. Footfaults will now be called. No foot faults are permitted for jump servers or jump floaters at any division.

Tie Breakers

Day 1 and Day 2: If there is a tie in set percentage in pool play (2- way or 3-way), ties will be broken by overall point ratio in the entire pool. E.g. the tied teams will be ranked by their point ratio in the entire pool and advanced based off of that ranking.

Day 3 Tie Breakers

2-way tie: 1) point ratio 2) head to head

3-way tie: 1) match record 2) set percentage 3) point ratio

Seeding

- Using the best available information, teams will be seeded by Seeding Committee Members.

Social Media and Online Communications Policy

OVERVIEW

- SoCal Cup (SCC) is committed to safeguarding youth privacy and safety, both online and offline. With online, social media and other electronic communication tools becoming more prevalent in professional communication, fundamentally changing the way many people and organizations interact.
- This policy sets forth expectations with respect to the use of online and social media, as well as other forms of electronic communications, by all SCC clubs, players, coaches, officials, parents, staff, volunteers, and administrators (each a "SCC Participant").

POLICY

- The term "online and social media" as used in this policy, encompasses a wide array of digital communications, and their scope is constantly evolving. For purposes of this policy, the terms "online media" and "social media" refer to internal and external websites, blogs, online social networks (e.g., Facebook, Instagram, TikTok, X (aka Twitter), Snapchat, LinkedIn), wikis, video and photo sharing sites (e.g., YouTube and Flickr), as well as other forms of personal online publishing and discourse now in existence or which may be developed in the future. For clarity, instant messaging, email and individual telephone communications are also covered by this policy.
- Social media forums are typically public. Even when using social media for purely personal purposes, a person's public expressions might affect their professional identity and the organizational interests of SCC and our members. Moreover, person-to-person instant messages, emails and other communications can be easily shared online to make them public or widely known within the SCC community and beyond. Accordingly, anyone participating in online or social media must ensure that their participation is consistent with this policy and other SCC policies.
- SCC fully respects the interest our parents, players, and volunteers may have in participating in online and social media on a personal basis. What our coaches, players, officials, parents, staff, volunteers, and administrators do outside of SCC activities on their own time is normally their own business. However, activities of SCC Participants outside of SCC activities that affect the organization's reputation, the safety of our players, or other members of the SCC community are within the scope of this policy.
- With these objectives in mind, all SCC Participants must be familiar with and adhere to this policy, regardless of whether they personally use online or social media.

PRIVACY

- While the SCC league and events are generally open to the public, for the safety and well-being of players and other SCC Participants, no photography, videography or other video or audio recordings of any player or other minor child may be used or posted to online or social media without prior written permission from such player's or other minor's parent(s). All clubs must obtain written permission from their players and players' parents to post any content regarding the players on any online or social media. Incidental footage of players from other teams may be posted so long as such footage is otherwise compliant with this policy and such other players are not the focus and not named in the footage or related posts, unless permission is obtained.

RESPECT

- While we understand that the use of online and social media, including during matches, often occurs during competition, the inappropriate use of online and social media can damage the reputation of SCC, its teams, and its players. In this spirit, SCC Participants posting through statements, pictures, videos, memes or gifs) on online or social media that could be are prohibited from posting anything (including construed – direct, implied, or otherwise – as negative, critical, or derogatory toward any other Participant. This includes any content that:

SCC

 2. Mimics or impersonates a SCC Participant in a negative manner;
 3. Criticizes officiating or the SCC officiating program; or
 4. Disparages, criticizes, ridicules, or belittles any other club.
- SCC Participants should never disparagingly or negatively refer to an opponent, official, SCC staff or other SCC Participant's personal life, family, race, color, ethnicity, national origin, religion, sexual orientation or any other status or characteristic protected by law. Positive comments are of course fine. In addition, clubs may use online and social media for fun and lighthearted banter that does not reflect poorly on any team, player, SCC personnel, or the SCC as a whole. However, such activity should not be inappropriate or offensive.

ARTIFICIAL INTELLIGENCE AND MANIPULATION

- The developments in artificial intelligence (AI) and machine learning have created opportunities in the world of sport and competition. They have also made it easier to change, alter, and manipulate images, video, audio, and other content in a manner that is false, misleading, disparaging and/or offensive. These developments pose a serious threat to the safety and well-being of players and other members of the SCC community.
- SCC Participants are prohibited from manually or using artificial intelligence or any other technologies to change, alter, or manipulate in any manner any image, video, audio, or other content featuring any other SCC Participant without express prior written permission from all involved.

DISAGREEMENTS AND COMPLAINTS

- In competitive sports, it is natural for disagreements to arise regarding strategy, tactics, fair play and officiating. Online and social media is not the place to resolve these disagreements. In the event any SCC Participant has a complaint regarding any tournament, match, or other SCC Participant, such complaint should be directed to Administration@aimsportsgroup.com for review, evaluation, and resolution. In no event should any such complaints be posted to online or other social media.

TRAINING AND MONITORING

- Each SCC club is responsible for any content posted by the club. In addition, each club is responsible for communicating this policy to all coaches, players, staff, parents, and family members as well as overseeing/monitoring posts by such individuals, including but not limited to monitoring fans (followers) of pages, monitoring for inappropriate activity, ensuring that any photography with a minor child is not posted unless prior written permission is provided from the parent(s), and ensuring that any element of the applicable page or post (or the page or post itself) can be deleted quickly if directed to do so by SCC.
- As such, we encourage clubs to properly and extensively train their players, coaches, staff members, and spectators to ensure that they know what postings are appropriate and what are not, in accordance with this policy. Failure by a club to enforce this policy with its players, coaches, staff members, and/or spectators may be deemed a violation of this policy by the club.

REPORTING AND RESOLUTION

- Any inappropriate online or social media content and all suspicious internet and electronic communications should be reported to the Managing Director at AIM Sports Group. Participants may also report inappropriate activity to law enforcement authorities directly, as appropriate.
- Once reported, the complaint will be investigated by AIM Sports Group and/or other outside authority designated by them. Each SCC Participant agrees to fully cooperate with any such investigation. Failure to cooperate will be taken into consideration in investigating the claim and reaching a determination regarding the matter.
- Upon conclusion of the investigation, SCC shall make a determination regarding the claim, which determination may affect future participation by the individual(s) involved in the policy violation. SCC Participants understand that such determinations may include suspension or termination of an individual or clubs right to participate in SCC events or activities and/or other affirmative obligations and/or restrictions on such individual(s). Factors in determining any penalties for any violation, include, but are not limited to, the severity of the violation and/or the number and severity of prior violations, if any. Further, SCC reserves the right to report any violations of this policy to AAU Volleyball, USA Volleyball, and/or law enforcement.
