SoCal Cup League Format

SoCal Cup will implement a one day Gold & Silver Divisions (for 15U-18U) and Gold Division (for 12U-14U) bracket format and traditional pool play for the remaining divisions. This format is designed to maximize competition and create less parity amongst divisions. The format is subject to change on tournament entry numbers, feedback, and space constraints.

I. Qualifying Tournament

The two (2) day Qualifying Tournament format will be pool play on both days without playoffs. The Qualifying Tournament will determine the starting division and position within each age group for the teams participating in the SoCal Cup league. The tie breaking protocol of Match Record, Set Percentage, then Point Percentage, will be used to determine appropriate standings going into Tournament 1. Teams that do not participate in the Qualifying Tournament will be placed in the last division for Tournament 1 or their first league tournament. A complete and detailed format for the Qualifying Tournament will be published prior to the event.

II. League Tournaments

A. Bracket

1. For 15U-18U, the Gold and Silver Divisions will participate in an 8-team bracket play. For 12U-14U, the Gold Divisions will participate in an 8-team bracket play.

2. Teams participating in SoCal Cup Gold & Silver Divisions (for 15U-18U) and Gold Divisions (for 12U-14U) will be seeded into divisional brackets of eight teams (8). The format is a traditional quarterfinal bracket (1v8, 2v7, 3v6, 4v5).

3. After the completion of each one day tournament, teams will be reseeded based on the previous weekend's results. In each division, the lowest three finishers (final standing of 6-8) will move down a division and become the three higher seeds in the lower division for the following weekend. The winners of each division (final standing of 1-3) will move up a division and become the three lowest seeds in the higher divisions. Teams finishing 4th and 5th in the final division standing will maintain their positions.

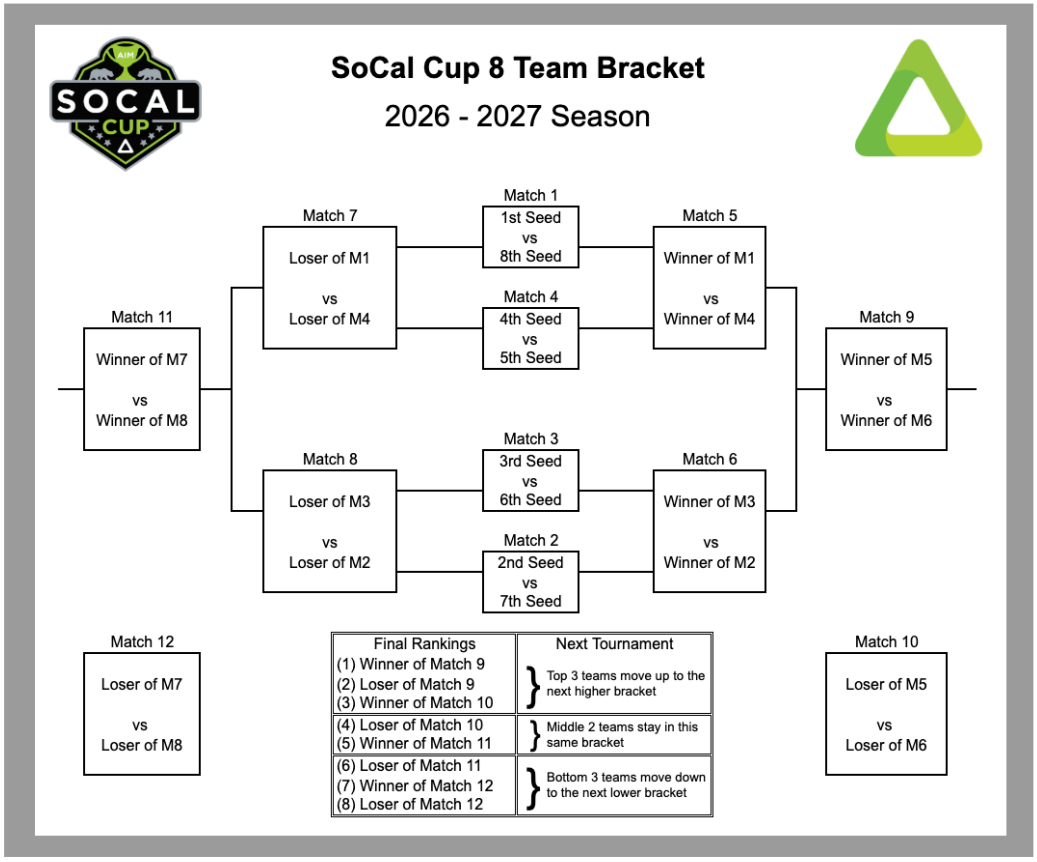

B. Pool Play (Remaining Divisions)

1. Teams in the remaining divisions outside of Gold & Silver Divisions (for 15U-18U) and outside of Gold (for 12U-14U) will participate in pool play. The format is a traditional pool where teams will have a guarantee of three matches and their seed within the pool will determine the team's match schedule. After the completion of each one day tournament, teams will be reseeded for the next tournament. In each pool, the first place finishers (final standing of 1) will move up a division and become the lowest seed in each of the higher division pools for the next tournament. In each pool, the 2nd place finishers will maintain their positions and be the 2nd seed for the next tournament. In each pool, the 3rd place finishers will maintain their 3rd place seeding for the next tournament and move pools for the next tournament. The bottom finisher in each pool (final standing of 4) will move down a division and become the top seed in each of the lower division pools for the next tournament.
